Case No.: 13 CV 04258 PSG

NOTICE OF SETTLEMENT

Date:

Time:

Courtroom: 5 (4th Floor)

Judge: Hon. Paul Grewal

13
14 About a month ago, the parties agreed to settle this case. Unfortunately, the settlement has
15 languished. Apparently each of us expected the other side to move.

16 Yesterday afternoon I viewed the case docket and discovered the Court's order to both of us
17 about filing a joint statement in seven days. I did not receive service of that order and was not aware of
18 it until yesterday. (I did receive an order in another case dated 2 July.)

19 This morning I sent an email to Mr. Boskovich asking that we complete this matter within 30
20 days. He replied and promised to send a settlement draft within the week.
